## About Us

Meditech Healthcare has grabbed the top spot in the medical industry by implementing constant innovation. Established in 2015, we are a reputed trader and supplier of BMC Auto CPAP With Humidifier, One Nebulizer Medical Machine, Devilbiss BIPAP Mask, Precision Medical Portable Oxygen Concentrator and many other products. These are known in the market for their modern design, long lasting performance, durability and affordability. To get these items, we rely on our sourcing experts, who source them from companies that utilize the finest equipment and the latest technology available in the market to fabricate. To store our products in an organized manner, we have developed a large warehousing facility, which is divided into various units with ample storage spaces.

Meditech Healthcare is a one-stop solution for buying advanced medical equipment. The company functions from its head office in Mumbai, Maharashtra. We are recognised in the industry as a trader and supplier of Devilbiss DV64 CPAP Machine, Non Vented Mask, Vented Mask, Inogen G3 Portable Oxygen Concentrator and many more products. These are manufactured with the usage of finest raw materials and the latest technology available in the market. To make sure that the sourced products are quality-assured, we have set up a quality division which conducts tests with the help of our quality analysts. Furthermore, our organization relies on its customer support unit, which ensures to provide our customers with constant support and solves their problems.
